An Equal Opportunity Employer
**Success begins with you**
Recognizing how important it is to be a productive and contributing member of our community, Rise's employment programs have assisted thousands of people who have a wide range of disabilities and those who face other barriers to employment enter or re-enter the workforce.

Rise's employment services can help you reach your goal of increased self-sufficiency and employment. Rise team members provide planning services and supports so you can find a job which meets your individual needs and skills, and be successful in the career field of your choice.

**You don’t have to do it alone**
Rise team members work in cooperation with referral agencies to help you find transitional or permanent employment in the local community. If you have a counselor from Minnesota Rehabilitation Services or any other local rehab agency, let us know and we can work together with you on your career plan.

**Experienced, dedicated Rise team members can assist you**
Rise employment consultants are available to assist you in many ways, depending on your specific needs. We will assist you find a job which interests and challenges you. Rise team members can help you develop an individualized career support plan and identify suitable job leads.

They can also assist you with writing resumes and cover letters, and completing job applications. If you would like practice with your interviewing skills or have someone accompany you to job interviews, they are happy to do so.

Once you have been hired in a new job, Rise team members can assist you and your new employer in several ways to help ensure your success. Perhaps you could benefit from job accommodations, one-on-one job coaching, or job-keeping skills training. Team members are also available to provide training for the employer on disability-related issues.

For some people, supported employment may be a good first step. Rise works with several area businesses to offer interesting and integrated work opportunities. Rise team members provide direct training and supervision at each employment site to ensure a supportive employment environment for all employees.

**Need help with benefits planning?**
If you are currently receiving government benefits such as Social Security Disability Income (SSDI), Medical Assistance (MA), Social Security Income (SSI), etc., and are concerned as to how your earned income will affect them, Rise job placement team members can assist you with benefits planning. We will help you determine how to best maintain the medical and income assistance benefits you need and are entitled to while earning a paycheck.

**Use your Ticket to Work at Rise**
The Ticket to Work program offers people who receive Social Security benefits the opportunity to increase their independence. Rise is a registered Employment Network (EN) with the U. S. Social Security Administration.

By choosing to use your ticket with Rise, you will access all job placement and maintenance supports needed for you to achieve your goals. To learn more about Ticket to Work, visit: www.yourticketowork.com or www.ssa.gov.
